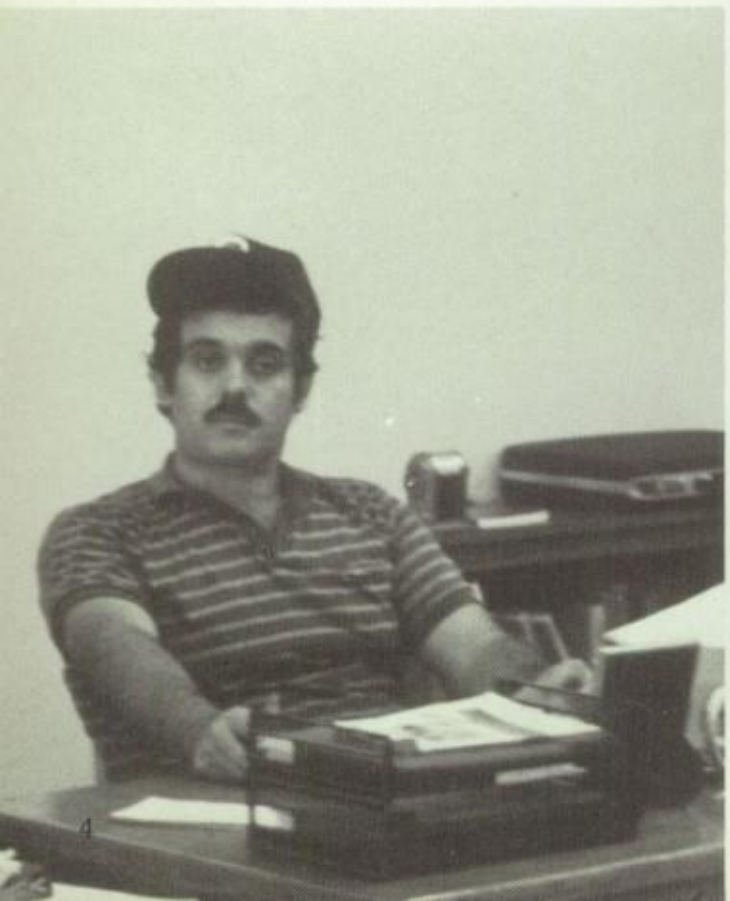
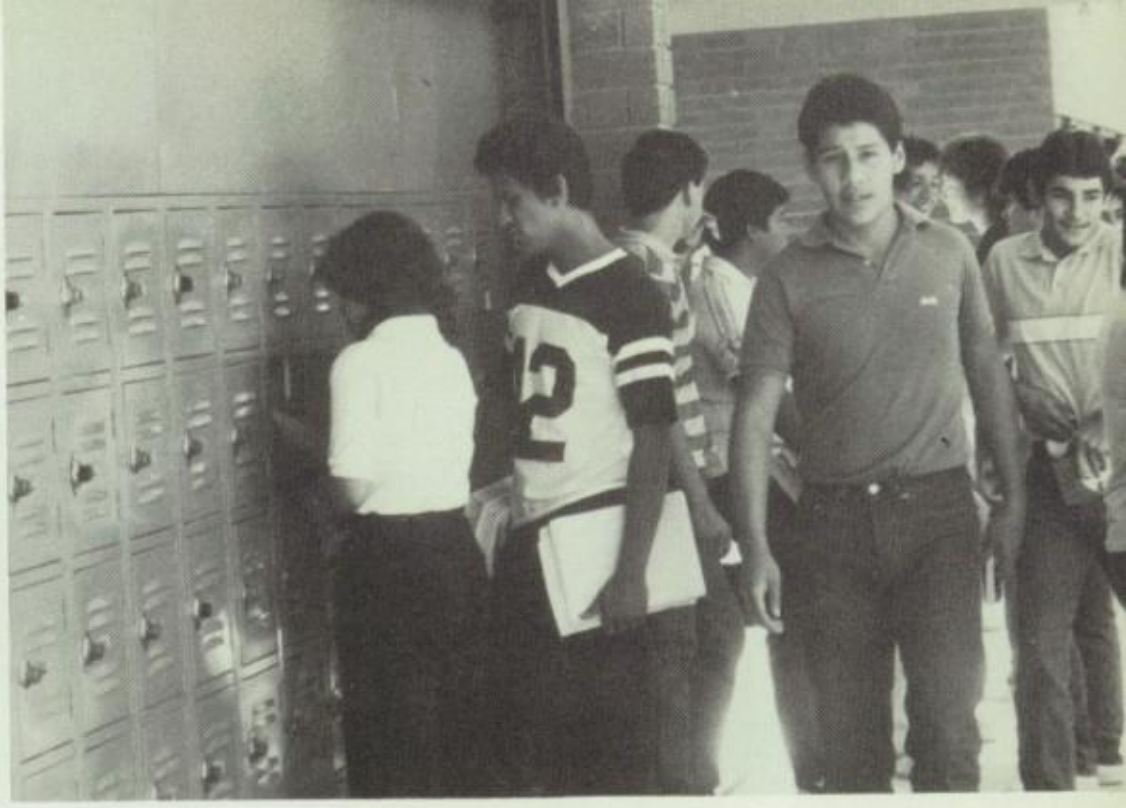
Good Times Soared
In Every Way . . .

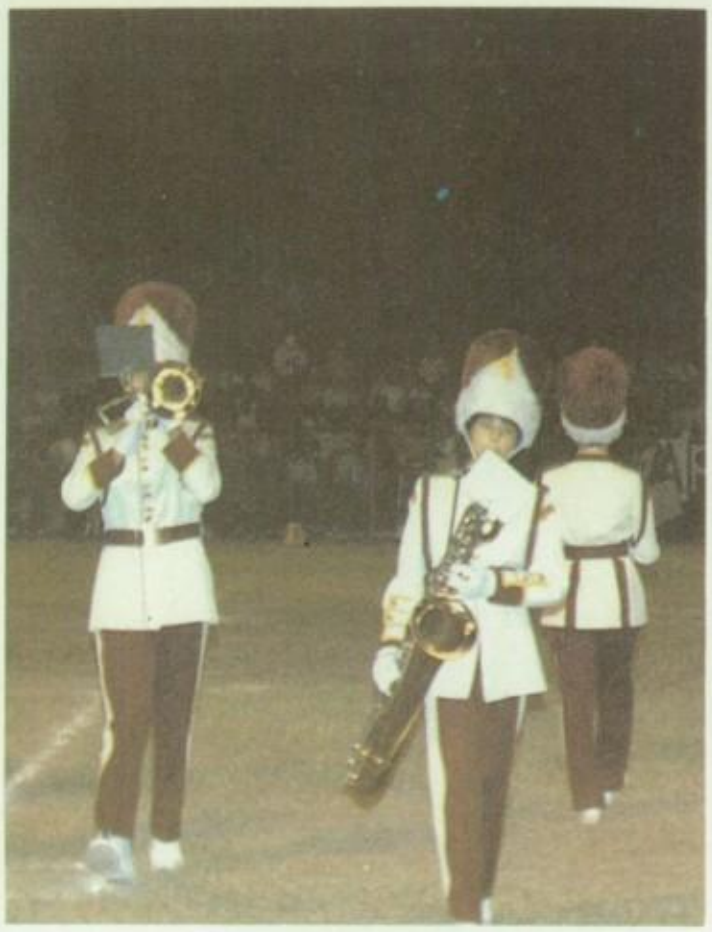
Together we joined
and passed our time away . . .

Fun times were
a moment away . . .

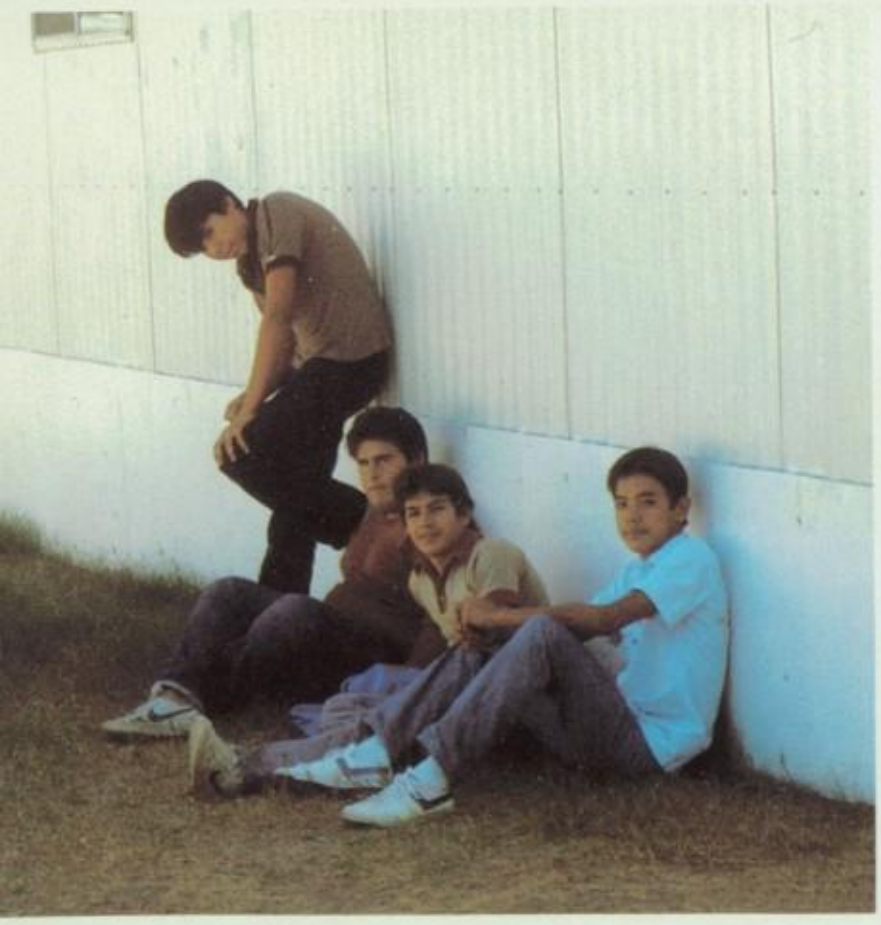




We just opened the door
and they were here to stay . . .



High times came
they soothed our days . . .

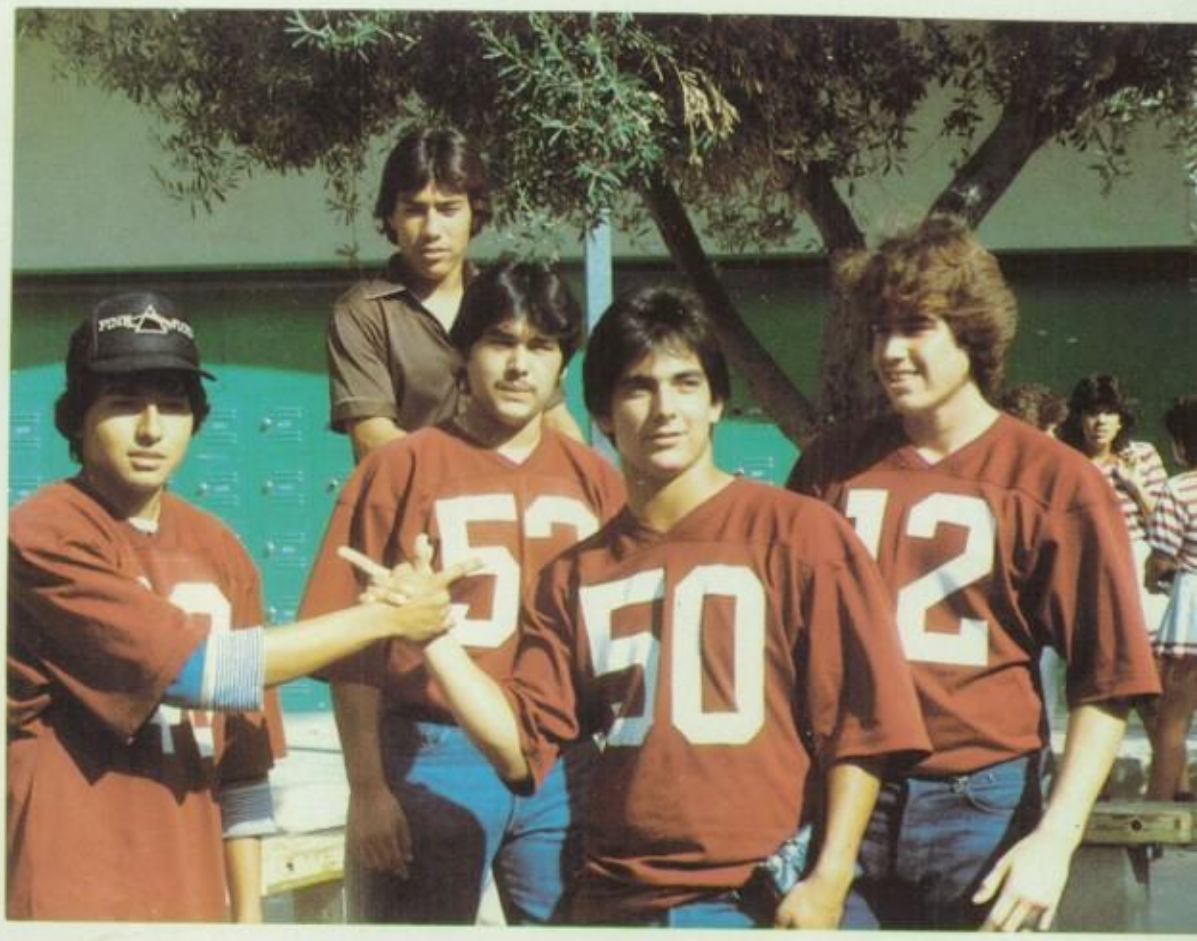


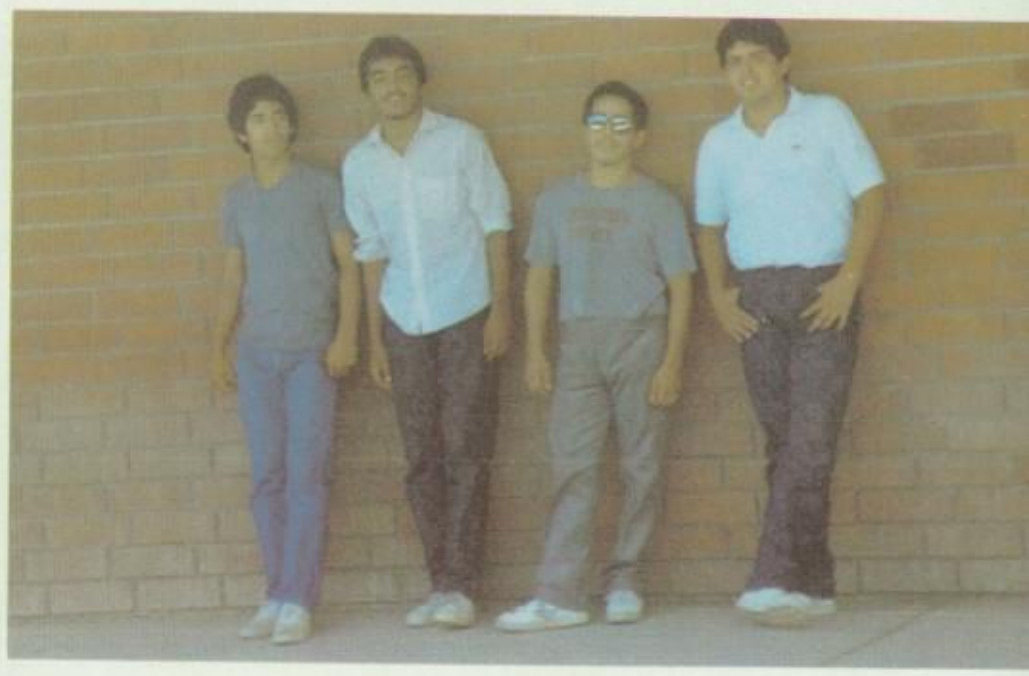
Not only that, but
they fit our ways . . .

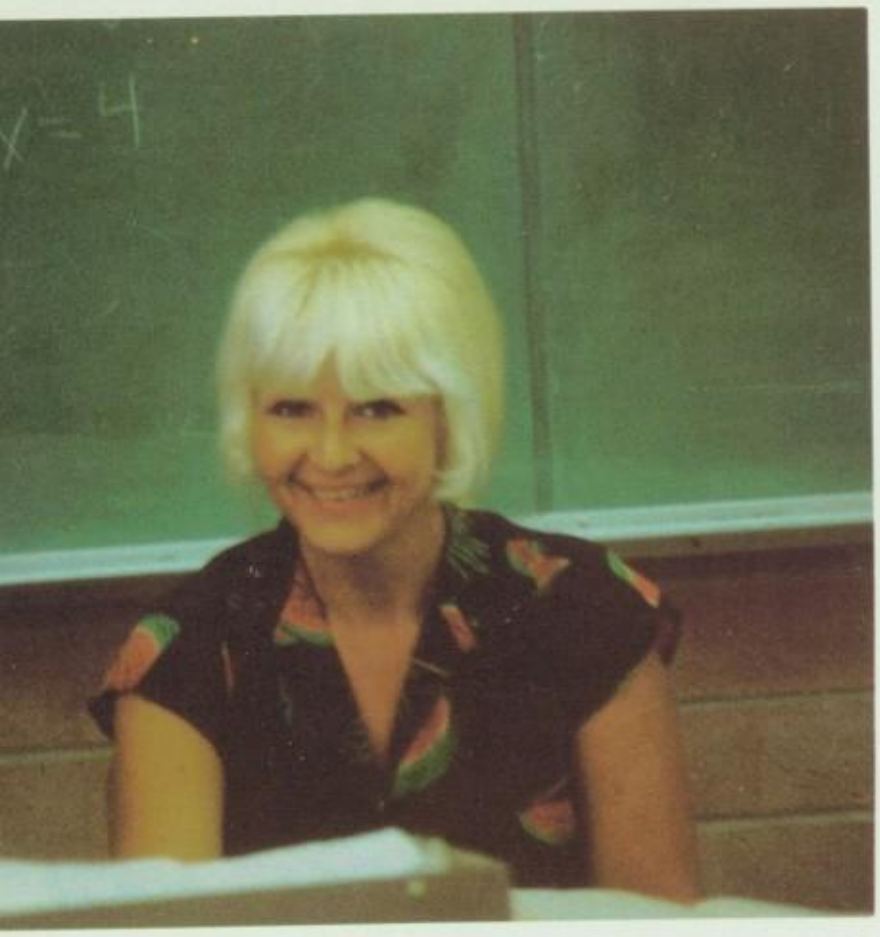
It's sad to remember
the times we tried . . .

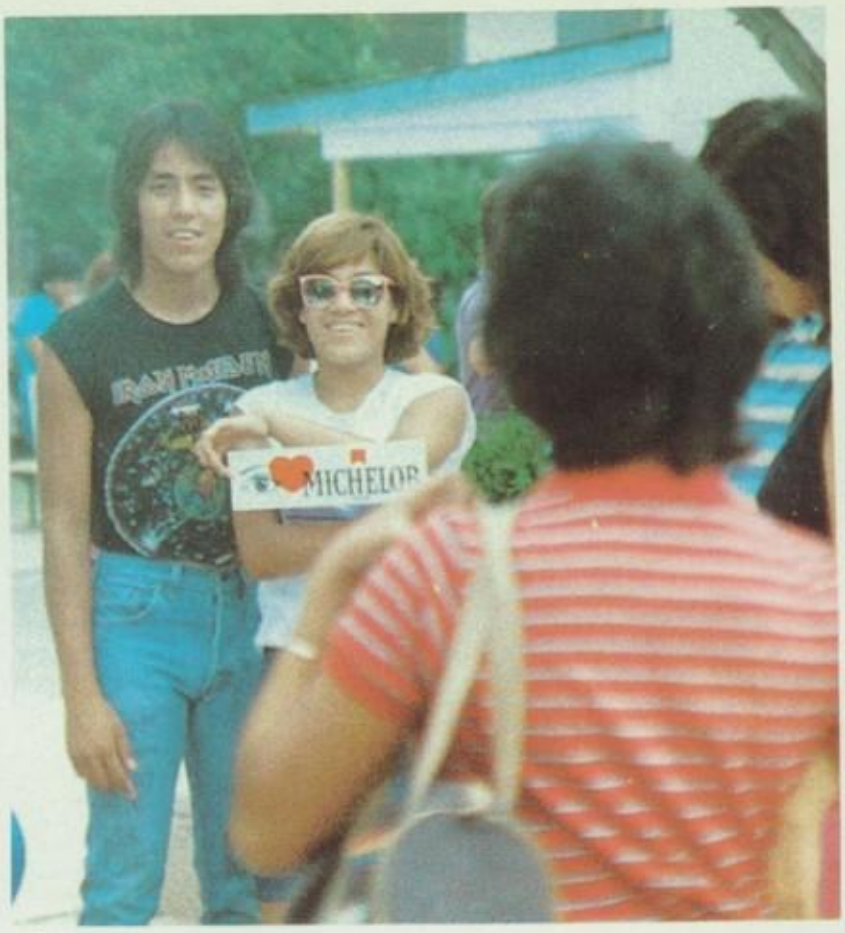
The times we cheered
and the times we cried . . .

We'll remember this year . . .









Full of fears.

What lies ahead?
Our ambitions ascend . . .

And our dreams
will never end.

DEDICATION

On behalf of the 1983-84 Calexico High School Annual Staff, we would like to extend our deepest gratitude to two special teachers who have attributed their time and effort in helping us attain our educational goals.

The 1983-84 football season started out very good, even though we were small in size, we proved to be tough. There were a couple of games that we should have won, but nevertheless we gave our opponents a hard time and we kept our pride. We would like to thank our coaches for their time and effort.

It was an enjoyable and unforgettable year.

ACTIVITIES

Senior and Junior Spirit Day

Spirit Week Nov. 8-10

Homecoming week came and that meant showing our spirit in numerous ways! Our theme this year was "Anything Goes."

Tuesday the "S" Club started off by dressing as clowns as their initiation to the club and collected money for UNICEF. Wednesday, Freshmen and Sophomores had their day showing their spirit and finally the Junior and Seniors got wild, crazy, and rallied all morning long to the end of the day.

The Homecoming pep rally ended the day with a lot of spirit. It was loud and everyone was eager to go to the game. (We won by the way!)

Slave Sale

The annual Slave Sale put on by the "S" Club was again a huge success.

Slaves are volunteer students who dress up and are sold to the audience's highest bidder. Their masters own them for the following school day. C.H.S. students have a lot of fun participating as spectators, bidders and slaves in this excellent money raising activity.

"S" Club is a Soroptimist youth service club. Their main goal is to serve the community and school.

1983-84 2nd Annual

Powder Puff King, "Mario Ceja."

Lorrie taking a break.

November 22, 1983 was an unforgettable day as the Senior Bullets and the Junior Ruff-Ruffs battled against each other on the football field. It was the 2nd Annual Powder Puff game. We must express our thanks to those who helped make this fun-filled event possible.

The Senior Bullets led throughout most of the game but the Junior Ruff-Ruffs caught up and the 4th quarter ended in a tie of 20-20. Both teams decided to go overtime which was tough since both teams got rougher by the seconds. Finally the Juniors barely slipped past the Seniors and won the game (26-20).

Class of 1984

On December 16, 1983, Senior Dress-Up took place in the nicely decorated gym. Mr. Anderson welcomed parents and then turned the program over to David Esperanza, Master of Ceremonies. Approximately 70 couples were introduced at their finest.

The purpose of Senior Dress Up is to help children of the Orthopedic Clinic who are in need of the Christmas Spirit. Seniors who participated, decorated the Christmas tree with ornaments along with presents for the children.

Fr. Tony gave an excellent talk on the real meaning of giving, and Christmas. For entertainment, Mrs. Martinez's dancers performed for the Seniors. The benediction was given by Mr. Rene Gonzalez to end the ceremony.

Producing an annual is a great deal of hard work and responsibility. It involves the cooperation of the entire staff. There were times we thought we weren't going to make it but through our determination and faith, we made it!

I wish to give special thanks to my staff, especially Martha Rivas, my co-editor, who stuck by me during the rough times, and others who contributed in any way towards the production of La Aurora. Their help and dedication will be remembered through the pages of this book.

A very special thanks goes to our advisor, Jose Luis Arellano, for all his help, dedication and for just being there as a friend. Without him, this book full of memories would not have been accomplished.

Graduation is a time to really begin our life, not to end it. As the song says, "We've only just Begun." We have yet to find out what life is truly about. Reach for the stars and get the best out of life. God Bless You All!

It's early morning
And quite cold
Yesterday I was a Sophomore
Now I feel so old.

Remember those days
Of carefree and woes
Remember the good days
Don't forget those.

It's hard to believe
We're going to graduate
Say goodbye to some friends
Some we may hate.

All the times,
We wished we were gone,
Battling the administration,
Has anyone won?

Remember the times
When we ate lunch
It was always interesting
Especially "that bunch."

Remember as Juniors
The lunch lines we had,
Looking for someone we knew . . .
It makes me sad.

Those were great times,
Under the sun
But now my friend,
Those days are done.

Remember our years
But, don't look back
For if you do . . . Well
You'll see things that lack.

We had fun!
You should remember that way
And always remember
Graduation Day.

Every other class, has gone through this
It was all the same, but
Do we leave, with more than we came?
Yes, we now know that it all was just a game.

Adrian:

It's been a pleasure knowing you, and being with you all year long even though we didn't talk to each other that much. I'll always remember you. I don't have much to say but I wish that this short lines make you remember me as one of your friends. Thank you for letting me sign this beautiful book of wonderful memories.

Bye.
